STATEMENTS: The following statements are to be considered summaries and are not to be construed as verbatim.		

## VICTIM / MARZANO INTERVIEW:

11 March 2016 PO MARZANO in the First Police District

Our team was assigned to Trump Rally - 1 Sgt and 8 POs. We were assigned to Crowd Control- 1st Assignment, at Harrison and Racine but were directed inside UIC where we spent 15 minutes or so. We heard 1200 on the police radio calling for more officers.

My team was standing elbow to elbow to keep the crowd under control- Pushing back to crowd- while holding a baton I pushed a girl back and an older white woman yelled don't touch her then the older woman starts pushing forward then strikes me on my right side cheek with her left hand- closed fist- I grabbed her along with others officers- she and I and others all fell to the ground- upon getting up the woman was bleeding from her hairline area, her left forehead.

## SUSPECT

GRIFFIN, Kathleen

11 March 2016 in the First Police District at 0030 hours.

R/D mirandized suspect GRIFFIN, witnessed by Det. Voight #20325 and understanding her rights made the following statement. My group was caught between the police line and the crowd. She, my daughter got pushed by the police and I told the officer to FUCK OFF DUDE. I got shoved by the police and I fell and was pulled by the hair. When I got to my feet it was only the officer and I around, my daughter had ran off to a vacant lot.

My daughter and I got very scared when male blacks with bandanas were coming from behind us ? I wanted to go to Greek Town and leave the Police Line but couldn't. The police then pushed my daughter and I lost it and yelled FUCK OFF, I lost my balance and went down, was struck 4 or 5 times but didn't see how I was struck or by who. The officer was swearing at me and had me for some time before I was put in the transport vehicle.  
End of interview.

At 0142 hours ASA Lehy Mirandized the suspect GRIFIN, witnessed by R/D and agreed to make the following statement. The Trump Rally was good until it went bad. We had tickets but never went inside, it might have been good to see and hear, we hung with UIC nurses, people with dogs, kids in wagons. My daughter had made a MLK sign and I had an Imagine Sign- John Lennon. We were following the crowd when we heard the rally was cancelled- was behind a News Van- things getting pushy- protesters were yelling fuck the police. Police down middle past bridge shoving all over the- guys locking arms holding signs up- A cop tackles a guy- the crowd shifts and were getting pushed from both sides, a cop pushed my daughter hard, I said fuck you, not sure what im getting hit with- he called me a cunt and a whore.

I don't remember stuff, my daughter and I had been hold our signs over our heads- I may have been pushed from behind- I Lost my sign- we walked into a much different crowd- different group with masks and looking for trouble. I don't remember him hitting me. Suspect called husband Scott Morris to speak to her daughter who stated to ASA she didn't see anything. End of interview.

## Investigation:

R/D was assigned to an Area Central Processing Team for the Trump protest at UIC Pavilion. After R/D and additional Detectives determined there was video and audio of the incidents around the UIC Pavilion, R/D requested all forms of recordings and inventoried accordingly. Offender denied any intentional contact. Lack of corroboration of said battery, contact between parties may have been accidental, location of incident, was listed as ASA reason for REJECTION of CHARGES at 2000 hours. Suspect was released without Charging.

Based on the above R/D requests this case be Ec. Clear Closed Arrest Oher Exceptional.

Det. William M. Henegan#21312.  
Area Central Detective Division
